

CSEdWeek 2017 NGCP Schedule of Activities

December 4-10, 2017

Day	Activity
Monday, December 4	<p>Participate in the Computer Science Outreach Program Evaluation Network (CS OPEN) webinar 11:00AM Pacific (2:00PM Eastern).</p> <p>Encourage a girl to create her own Google logo.</p>
Tuesday, December 5	<p>Visit The Connector to register your computer science programs and add opportunities. The Getting Started Guide makes it easy.</p> <p>Watch the webinar: 'Building Bridges: How to Partner Across In-School and Out-of-School'.</p>
Wednesday, December 6	<p>Read the NGCP Blog post by Karen Brennan, lead for ScratchEd and Harvard Associate Professor of Education.</p> <p>Try Scratch, MIT's free educational programming language, for yourself.</p>
Thursday, December 7	<p>Participate in the #CSequity Twitter Chat with ECEP, NCWIT, and the NGCP at 4:00PM Pacific/7:00PM Eastern.</p> <p>Discover broadening participation in computing resources from NCWIT and the Expanding Computing Education Pathways (ECEP) Alliance.</p>
Friday, December 8	<p>Meet women with experience in computer science who serve as role models and mentors in the FabFems online database.</p> <p>Share Google's 'Made with Code' with one girl.</p>

#NGCPCSEdWeek17

We encourage you to celebrate and spotlight, throughout the week, how girls are being served by computer science (CS) programs in our NGCP Collaborative Network.
