Marisa Garcia: an interesting way to consider biases, either implicit or explicit

Marisa Garcia: I guessed pastry chef for Ciara! :)

Caitlin Everhart (she/her/hers): I guessed T4A for her!

Mookie Harris (he/him): Called away to a meeting but thank you! Can't wait to watch the rest!

Marisa Garcia: thanks for attending!

Caitlin Everhart (she/her/hers): I love this activity, it could also be extended to creating a movie trailer!

Brenda Britsch (she/her): Ooh that's a great idea Caitlin!

Marisa Garcia: super fun idea Caitlin!

Marisa Garcia: here are they activity instructions:

Imagine that YOU are a movie producer that needs to create a screenplay for a movie based on the real-life adventures of an amazing STEM professional.

Work with your group to create a plot for this new feature film using at least 4 of the photos and the Movie Storyboard as a guide.

Marisa Garcia: Hi all. here is the activity link Representation Matters and the slides:
