September 28–October 3
Free food, prizes, giveaways, meet-and-greets with photo opportunities, fun, and excitement!

Sunday, September 28
Ali Roberts Presents “Breaking Worse: Synthetic Drugs of Abuse”,
4:00 p.m., LRC 221
A discussion of recent trends in synthetic drug abuse, including how they originated, their lethal side effects, and the struggle to regulate them.

Monday, September 29
Colorizing Breaking Bad,
9:00 a.m.–2:00 p.m., KUC 2nd-Floor Lobby
The project will be the creation of a series of “color posters.” Participants will analyze what messages and meanings different colors say and represent about characters and events in *Breaking Bad* and will talk about how they feel about those messages.

Tuesday, September 30
Breaking Bad Amazing Race,
8:30 a.m.–4:00 p.m.,
Disability and Access Center
Students in teams of two will race across campus to find clues about all that MTSU has to offer.

Wednesday, October 1
Disability and Access Center Presents
“An Evening with RJ Mitte,”
7:00 p.m., Tucker Theatre
Actor RJ Mitte from the award-winning drama *Breaking Bad* will talk about having cerebral palsy while maintaining a successful acting career. The speech will be followed by a Q&A and a meet-and-greet with photos after the event.

Thursday, October 2
WISTEM Center Presents
“A Discussion with Dr. Donna Nelson,”
7:00 p.m., Tucker Theatre
Dr. Donna Nelson will talk about her experiences as science advisor on *Breaking Bad*. Her work included checking scripts, providing dialogue, drawing chemical structures, and writing chemical equations that were used as props. She will discuss the benefits of using popular media to increase public appreciation for science and scientists.

Friday, October 3
Breaking Bad Trivia Contest,
1:00 p.m.–3:00 p.m., Tom Jackson Building
Students in teams of four will compete in a *Breaking Bad* and disability awareness–themed trivia contest. Prizes will be awarded to first-, second-, and third-place teams.
