

# DESIGN squad

# Nation

CalGirls & PBS's Design Squad Nation together present....

## Boosting Girls' Interest in Engineering with PBS's Design Squad Nation

Thursday, January 17, 2013  
10:00am – 2:00pm  
San Leandro Public Library  
300 Estudillo Avenue  
San Leandro, California

- Learn techniques for engaging young women in engineering
- Participate in hands-on activities
- Watch engaging videos that profile young engineers in action and motivate kids to build and create
- Experience how online multimedia and activity resources can be combined to maximize kids' engagement
- Hear original research on engineering messaging that works for girls
- Network with others from companies, not-for-profits, K-12+ educators, informal educators, and others working to advance girls in STEM fields
- Plan programs to boost girls' interest in STEM
- Learn how to apply for CalGirls mini-grants

**REGISTER ONLINE by January 14**

<http://www.ngcproject.org/events>

Training is free. Coffee & Lunch provided. Pre-registration required.

For questions about the event, please email Anna Hohos [anna\\_hohos@wgbh.org](mailto:anna_hohos@wgbh.org)
