## Educating Outside the Exhibit: Transferring Museum Skills to Other Fields

*Wednesday, April 28*

Please respond to the poll and introduce yourself in the chat.

Use the chat to ask questions, respond to one another, and share resources.

# NGCP Vision

The National Girls Collaborative Project **brings together organizations** committed to informing and encouraging girls to pursue careers in science, technology, engineering, and mathematics (STEM).

# NGCP Goals

1. **Maximize access** to shared resources within organizations interested in engaging girls in STEM.
2. **Strengthen the capacity** of programs by sharing exemplary practice research and models.
3. **Use the leverage of a network** to achieve gender equity in STEM.
