January 24-26 | Fargo, ND

All Startup Weekend events follow the same basic model: anyone is welcome to pitch their startup idea and receive feedback from their peers.

Teams organically form around the top ideas (as determined by popular vote) and then it’s a 54 hour frenzy of business model creation, coding, designing, and market validation.

The weekends culminate with presentations in front of local entrepreneurial leaders with another opportunity for critical feedback.

Who?

Whether entrepreneurs find companies, find a cofounder, meet someone new, or learn a skill far outside their usual 9-to-5, everyone is guaranteed to leave the event better prepared to navigate the chaotic but fun world of startups.

If you want to put yourself in the shoes of an entrepreneur, learn more about the best weekend of your life!
