

PROJECT Scientist™

WWW.PROJECTSCIENTIST.ORG

At **Project Scientist** we're fostering today's scientists who will lead the world in solving tomorrow's greatest challenges! Our promise is to educate, coach, and advocate for **GIRLS** with an aptitude, talent, and passion for science, technology, engineering, and math (**STEM**).

If you believe your daughter would benefit from a **community of like-minded GIRLS** that enjoy exploring through the sciences and celebrating their accomplishments, then Project Scientist is a place just for her!

Surrounded by brilliant and passionate **STEM** teachers, professors, and professionals, your daughter will be inspired and provided the **tools to reach her highest potential**.

PROJECT Scientist™ ACADEMY

Caltech

JOHNSON C. SMITH
UNIVERSITY

{ SEEKING TEACHERS & INTERNS! }

Project Scientist is looking for amazing, inspiring, and talented teachers and interns for our Summer 2015 **STEM** Academy for girls ages 4 to 14. If you believe you have what it takes to inspire the next generation of **STEM** Superstars then we would love to hear from you!

STEP ONE: Attend a mandatory Project Scientist/Sci-Girls Workshop to see if we are a fit!

Upcoming Workshops...

March 21st, 2015, UNC Charlotte
April 25th, 2015, Caltech

STEP TWO: Attendees to our workshop will be invited to formally apply.

STEP THREE: Interview

STEP FOUR: Hiring and on boarding, we hope to have all teachers and interns onboard by April 30th with training in May!

Sign up for our newsletter to keep up-to-date on all PS information! Sign-up at www.projectscientist.org or follow us on social media!

The information in this flier is neither endorsed by nor necessarily reflective of the views of the Boards of Education, the District or any CMS school.

A summer program on University Campuses **GIRLS** are immersed in **STEM**, learning from a tailored curriculum facilitated by highly skilled and credentialed educators, participating in exciting hands-on experiments and field trips, and daily interactions with female role models from a variety of **STEM** fields.

WHO: Girls ages 4-14

WHERE: UNCC Main campus, UNCC Uptown campus, and JCSU

WHEN: June through August.

WHY: Have fun; build confidence and interest in **STEM**!

HOW: Visit www.projectscientist.org or contact Beatrice at 704-313-9118, beatrice@projectscientist.org.

SUMMER 2015 THEMES

WEEK 1: "What does the fox say?": Biology, Zoology, and Veterinary Science.

WEEK 2: "Under the sea": Oceanography, Nautical engineering, and Aquatic Ecosystem health.

WEEK 3: "Diggin' up the Dino": Archeology, Paleontology, and Anthropology.

WEEK 4: "I Like to move it, move it": Locomotion, Automotive Technology, and Transport Engineering

WEEK 5: "iCode": Code Synthesis, Information technology, and Mobile App Development
