

# IF/THEN® This is What a Scientist Looks Like

## EXHIBIT KITS

CONTENT THEMES

Choose from 5 STEM content themes. Each theme includes 4 - 6<sup>®</sup> panels, each featuring an IF/THEN Ambassador along with facts and insights related to their field, plus a mini-activity or reflection question.

### Living Wild

### Reaching the Stars

### Powering the Planet

### Diving Deep

### Engineering New Paths

INTRO PANEL

The optional introductory panel includes 125 IF/THEN® Ambassadors and contextualizes your exhibit kit as part of the IF/THEN® Collection. You may choose to add your own logo.

Introductory panels are printed double-sided on fabric at 96" x 90" and come with a display stand.

## ***BUILD YOUR KIT***

Choose from three material types. The choice of material, and choice in including an introductory panel, will inform how many content themes you may select. Each content theme includes 4 - 6 individual panels. View detailed versions of [all individual panels here](#). Once you've made your selections, visit our [Request Form](#) to put in your order.

### ***CHOOSE ONE OF THESE 6 OPTIONS:***

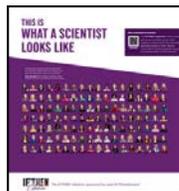

#### with INTRODUCTORY PANEL
