NGCP Vision

The vision of the National Girls Collaborative Project is to **support and create STEM experiences that are as diverse as the world we live in.**

NGCP Resources

- **National Webinars**
 - Offered regularly on relevant topics. Speakers include educators, researchers, authors, and diverse STEM professionals
- **Monthly Newsletter**
 - National events, STEM resources for girls and youth, professional development opportunities for educators, and research and reports
- **NGCP Website**
 - Exemplary Practices pages on Engaging Girls in STEM and Access and Equity, blog posts, and statistics and research related to girls and women in STEM

NGCP Podcast: Inspiring Curiosity from Early Childhood to Break Gender Stereotypes

In our first episode, we explore the crucial role of early childhood experiences in shaping girls' interest and engagement in STEM

5 Ways to Be an Ally to Girls and Women in STEM

If you think of gender equity in STEM as a "women's issue" we encourage you to think again!
