This position will lead outreach, partnership, and marketing of the IF/THEN Collection to NGC’s community. The Collection is the largest free resource of its kind dedicated to increasing access to authentic and relatable images of real women in STEM. Our ideal candidate has excellent relationship-building and marketing skills, with experience cultivating and supporting partnerships.

Specific responsibilities include but are not limited to:

• Engage NGC community and STEM organizations to use the IF/THEN Collection and its assets in their programs and activities.
• Lead the development of outreach plans and supporting partnership materials.
• Manage outreach campaigns and other targeted partnership efforts.
• Create joint marketing plans with NGC community and educational partners.
• Coordinate grant program and evaluation with NGC state collaboratives.
• Develop and share out reports tracking success, adjusting outreach/marketing tactics to drive wide and deep usage of IF/THEN Collection assets.
• Other duties as assigned.

REQUIRED QUALIFICATIONS

• 3-5 years’ partnership outreach/marketing experience.
• Degree in marketing, communications, science, technology, and/or STEM education.
• Excellent verbal and written communication skills.
• Self-starter with strong organizational and relationship-building skills.
• Ability to work with both technical and non-technical individuals.
• Resiliency to handle shifting priorities and ability to maintain demeanor in high-intensity situations.
• Demonstrated capacity to operate independently in a remote-working environment.
WORKING CONDITIONS
The Marketing and Partnerships Manager position is remote based, with a flexible work schedule, reports to the Director of Digital, and may require occasional onsite meetings in Seattle, WA. Some travel for conferences and events may also be required.
